

Nor-Cal Moving Services presents
Online Storage System
 for NOR-CAL Customers to:

- Visually identify your stored items online.
- Manage your offsite storage from your desktop 24/7.
- Retrieve your stored items through a simple order entry and delivery system.

SYSTEM OVERVIEW:

- This is a value-added system, available to Nor-Cal customers at no extra charge.
- The process begins with all items bar-coded, photographed, named, and entered into our computers.
- Customers can then VIEW, SELECT, and MANAGE their stored items using the Online Storage System.
- Search for stored products by category, manufacturer, size, color, or part number.
- View images of your stored items online.
- Review and print reports on demand.
- Order products for delivery by product number or product classification.
- Nor-Cal Online Storage System: It's as Easy as 1-2-3-...

1. LOG ON at www.nor-calmoving.com
2. SEARCH AND SELECT inventory.
3. VIEW IMAGES of stored items.
