

HOW DID YOU FIRST LEARN ABOUT NOR-CAL MOVING SERVICES?

While working for another moving company, I was asked if I wanted to join a new company being created by Bill Freeman, Dennis Goza and Peter Mazzetti.

WHAT WAS THE MOST MEMORABLE MOVE YOU HAVE EVER DONE?

Moving in the first three buildings for the new UCSF Mission Bay Center. We moved unique pieces of equipment used for research and medical experiments, like Leveling tables, shakers and biohoods. It was challenging getting the equipment out of the old buildings on Parnassis, and this job really put Dennis Detricht and my moving skills to the test!

WHAT IS THE MOST DIFFICULT MOVE YOU HAVE EVER DONE?

Back in the late 80's, we moved a law firm where we had to move so many boxes, files and law libraries in one weekend. Seemed like we worked around the clock 20 hours a day.

HOW MANY MOVES DO YOU THINK HAVE YOU DONE SO FAR IN YOUR YEARS OF SERVICE WITH US?

I gave up counting 30 years ago!

FOOD YOU CAN'T LIVE WITHOUT?

Mexican food.

EMPLOYEE *spotlight*

The long-standing success of our company stems from our dedicated team. We are proud and fortunate to have them.

WHAT DO YOU THINK YOU ARE AN EXPERT OF?

I'm no expert, but I do know a lot about panel systems, moving medical equipment, move project logistics, and spatial relations. Through my career I'd like to believe that I've successfully led high performing crews.

WHAT HAVE YOU GAINED FROM WORKING HERE SO FAR?

Lifelong friends. When you're working with people 6-7 days a week, you really get to know each other. They become your second family. I'm lucky to call some of these guys friends for 30-40 years.

ONE WORD THAT BEST DESCRIBE YOU?

Trustworthy.

WHAT ARE YOUR HOBBIES?

I really don't have any hobbies, that's why I keep working! But really, I'm a lifelong Raiders fan (even after all the moves), love to BBQ, listen to live music, and spend time with my wife, friends, kids and two grandkids.
