

TELL US HOW DID YOU START WITH THE COMPANY?

My story is that I started with NOR-CAL Moving Services in 2011 as the COD Domestic Coordinator. I left in 2014 to move to LA for a career opportunity for my husband. In 2018, we were able to return to the Bay Area and through social media, I returned to join the International division.

DESCRIBE WHAT YOU DO ON A DAILY BASIS?

I assist and manage the relocation agenda for our McKinsey account non-partner moves, the OA coordination for the EMS/CARTUS account and assist Steve Hansen with his OA/DA MMI moves. My goal with every job is to have a successful move for our clients.

WHO'S YOUR BIGGEST INSPIRATION WITHIN THE COMPANY?

My fellow associate, Bonnie Tam, is my inspiration. She is the hardest working individual I know. Her tenacity to get the job done is impressive and she sets a higher level of customer service expectation. Anthony's heartfelt dedication to his International Division is a true inspiration for contributing to the success of the company.

As part of our 40th Anniversary Celebration, we are highlighting some of our remarkable employees (new and seasoned). We feel it is important for us to celebrate these individuals. The long-standing success of our company stems from our dedicated team. We are proud and fortunate to have them.
