

DESCRIBE WHAT YOU DO ON A DAILY BASIS?

Prepare rate quotes, arrange and book air, sea and trucking freight for international shipments, review billing, check and approve vendor invoices and update the Promove System for Allied International.

PRIOR TO NOR-CAL MOVING SERVICES, WHAT COMPANY DID YOU WORK FOR?

I started out working for my Dad at the Viking Corp. back in High School. But since 1987, my past work experience include working for northAmerican Int'l., Mayflower Int'l., a short stint for Allied Special Products, Graebel, Suddath and Santa Fe.

WHAT'S THE BEST PART ABOUT WORKING HERE?

The best part about NOR-CAL Moving Services are the people I work with. Although I work remotely, I have quite a bit of communication with the Int'l. group. I also enjoy the fact that we seem to know what our roles are and we try to be the best mover we can be. We don't pretend to be more than what we are and promise more than what we know we can do.

EMPLOYEE *spotlight*

As part of our 40th Anniversary Celebration, we are highlighting some of our remarkable employees (new and seasoned). We feel it is important for us to celebrate these individuals.

The long-standing success of our company stems from our dedicated team. We are proud and fortunate to have them.

WHAT HAVE YOU LEARNED ABOUT MOVING THAT YOU WANT TO SHARE?

If you respect and treat the vendors you work with kindly, they will become your friends. It's always good to have a friend when you need a favor.

YOUR LIFE WOULD BE MEANINGLESS WITHOUT?

Faith and family, these are the most important parts of my life.

A FUN FACT ABOUT YOU.

I enjoy gardening and yard work, love going to the beach and I'm a third generation mover.

I wish us continued success and growth so that we are all better off."
